Deal counts reset with each new borrower you refer.

HOW IT WORKS

1

Refer

Send us the deal. That's the whole job.

2

We Close

We underwrite and fund it fast — you stay in the loop.

3

You Get Paid

Your bps hit the day the loan funds. No chasing.

UPB — Unpaid Principal Balance at the time of loan closing. • **bps** — Basis points (1 bps = 0.01%) of UPB, paid upon successful loan funding. • Terms may be updated by Helios1 Capital at its discretion and apply prospectively to newly referred deals.
